检测报告
(Test Report)

No. BOYXK0JR835037L1

样品名称
(Sample Description)  一次性医用口罩
disposable medical mask

委托单位
(Applicant)  广东测科仪器有限公司
TESTEX INSTRUMENT LTD

PONY 普尼测试
Pony Testing International Group
www.ponytest.com
1. This report is invalid without the approver’s signatures and special seal of inspection.

2. The pattern and characters of “PONY” and “谱尼” are trademarks of this company. Any unauthorized use, forgery, alteration or imitation of trademarks and the characters are illegal. The company shall bear legal responsibility. Any unauthorized use, forgery, alteration or imitation of trademarks and the characters are illegal. The company shall bear legal responsibility.

3. If the applicant has any questions about the results, they must provide a retest application with the original report, and pay the retest fees within 15 days from the approval date. This retest shall only be conducted for the agricultural products mentioned in the report.

4. After the applicant finishes the procedure mentioned above, PONY shall arrange the retest as soon as possible. If the retest result accords with the applicant’s request, PONY shall refund the retest fees.

5. If the test cannot be repeated and tested, it shall not be carried out again.

6. The applicant shall undertake the responsibility for the provided samples’ representativeness and document authenticity. Otherwise, PONY does not bear any relevant responsibilities.

7. This report only reflects the responsibility for the provided sample. The test results only represent the evaluation of the tested sample. PONY will not be responsible for any economical or legal liability generated from direct or indirect usage of the test report.

8. PONY has the right to dispose the sample after approval of the test report.

9. PONY assures objectivity and impartiality of the test, and fulfills the obligation of confidentiality for applicant’s commercial information, and technical documents.

10. The test report is invalid in case of illegal transfer, embezzlement, imposture, modification or any altering, reproducing except in full, without approval of PONY. PONY shall investigate and affix the applicant’s legal liability accordingly.

Anti-counterfeiting Description:

1. The test report has exclusive report code.

2. The test report is printed by anti-copy paper whose surface shows “PONY” security print with specific anticounterfeiting technique. Security print will disappear after copying. Duplicates are not expected to give “PONY” security print under any circumstances.
